

INGCO DRILL IMPACT 1100W 13MM BMC

This high-performance drill is designed to handle tough drilling tasks with ease, making it suitable for a wide range of applications in both DIY and professional settings. The 1100W motor provides ample power for drilling into various materials, while the hammering action allows you to tackle masonry and concrete surfaces. The 13mm keyless chuck enables quick and easy bit changes, enhancing efficiency during your projects. With adjustable speed settings and a comfortable grip, you have full control over your drilling tasks. Whether you`re working on home renovations, construction projects, or woodworking, the Ingco Hammer Impact Drill (ID11008) delivers reliable performance.
